GIVING FOR A BETTER US

Every day, the Y strengthens communities for kids, adults and families who need us most with programs that protect, teach, connect, heal, nourish and encourage. It’s how we help communities and the “us” who live in them realize their incredible possibilities and full potential. But we don’t do it alone. We count on the generosity of our donors to help make a better us possible. In 2017, our donors have given generously to help address critical community needs and provide high impact Y programs that change lives. Our community is better because of you, and we are grateful for your support.

THE 1874 SOCIETY

The 1874 Society recognizes current donors who have given consecutively to the YMCA of Greater Charlotte every year for 10 or more years. These generous donors give to strengthen our community and to improve the lives of kids, adults and families in the greatest need. Since the YMCA of Greater Charlotte’s founding in 1874, we have been committed to living out our mission statement – To put Christian principles into practice through programs that build healthy spirit, mind and body for all. The members of The 1874 Society are loyal supporters who help us fulfill this mission and who believe the Y’s work can reach deeper into the community and impact future generations. We are grateful for their long-standing generosity.
