

IT'S SNOW COOL!

WINTER WEEKEND

AT YMCA CAMP HARRISON

It may be a bit cooler outside, but Camp Harrison is just as exciting during the winter! For those who attended summer camp, this is a wonderful opportunity to reconnect with the friends you made and your favorite counselors. If you are new to camp, come and get a taste of what summer camp is like. Campers will participate in typical camp activities such as, our state-of-the-art climbing wall and ropes course, counselor-led hikes, spending time at the barn with our animals, and making s'mores around the campfire, while singing camp songs. With the holidays just around the corner, campers will also enjoy some Christmas festivities, Camp Harrison style.
